## Mission and Faith Based Grants Program

### Grant Application!

The Outreach committee of The Santee Summer Ministry (SSM) intends to encourage local faith-based or outreach missions to apply for our annual grant program. The hope is to provide grants up to \$1000.00 each to qualified faith-based ministries, missions, outreach programs and programs that provide community service in the communities that the SSM serves. The intention of the grant is to supplement your organization with funds to improve the outcome of quality of life, community improvements, faith-based ministries in the community and other special programs that benefit others.

The SSM Board / committee will review each application and determine if it falls within the mission of the SSM. Once this is done, the SSM Board selects 3-5 applicants each year as the funding is available to award the grants to. The SSM has all rights to select the grants that best display a need and qualification. The applications will be reviewed prior to our spring meeting and announced at the beginning of the first service on Memorial Day.

Please fill out the application form below and on a separate page please submit a project overview. Please see page two for additional information needed to complete the application.

Project Title: \_\_\_\_\_

Church / Agency: \_\_\_\_\_

Address: \_\_\_\_\_

Director: \_\_\_\_\_

Project Contact: \_\_\_\_\_
